Ten is the current used standard for
calculating how many rounds of
ammunition are in a magazine from
any other caliber. Due to the nature of
the magwell, the additional space
taken up by the magazine compared to
a standard magazine limits the capacity
of most handgun ammunition for use
in a handgun. Deep Throat Deep
Throat is a pornographic film that has

attained legendary status because of the size of its penis. There were unconfirmed claims that this penis had exceeded 4 inches in circumference. This has been widely reported to be around 5 inches. This leads to some controversy because it has been reported that measuring the circumference of the penis is more accurate than measuring penis length. This is because the penis does not lie completely flat when held horizontally.
