A: Searching for the file with the extension.exe in all directories in the system is not safe. You should search for the file in the directory where the installation is made. You should also search for the filename "ideaIU-*.exe", because the directory for the application may be not in the default directory. Here is the result of the search in my computer, from which I have installed JetBrains CLion 2018.2.6 (x64): Found in: C:\Program Files\JetBrains\IntelliJ IDEA Community Edition 2018.2\bin\ideaIU-*.exe For
